

Cambridge High School
Advanced Placement and Honors Course Waiver 2014 – 2015
Due with Student Request Verification form

Student's Name _____ Current Grade _____

Students are encouraged to pursue a challenging course of study; however, they should keep in mind that the demands of AP/honors courses are significantly higher than those of on-level courses. Students should consider course load, extra- curricular commitments, interest level, after-school jobs, and goals when signing up for AP and honors-level courses.

Use sections 1, 2, and 3 below to list as many as three courses you would like to take but did not receive a teacher recommendation. Section 4 must be filled out completely.

1. Title of Recommended Course _____

Title of Preferred Course _____

2. Title of Recommended Course _____

Title of Preferred Course _____

3. Title of Recommended Course _____

Title of Preferred Course _____

4. Placement Waiver

We understand that placement in the course (s) listed above is not recommended; however, we are overriding this recommendation. By signing below, we acknowledge that the student commits to remaining in the course at least through the end of first semester.
